SHARING INFORMATION - PROMOTING GOOD PRACTICE

TRAINING DAYS 2013/14

Path Construction Safety and Health Awareness Day

Tuesday 17th September 2013, 10.00am to 15.00pm

Forestry Commission Scotland Clydebank Office, Clydebank, Dunbartonshire

£40 per person (inc. lunch)

The aim of this event is to raise awareness of key health, safety and welfare issues that affect path construction projects, but also to give practical advice on how to avoid and control health risks and safety risks on path construction sites.

During the event, delegates will learn about:

- The key health risks and safety risks affecting path construction works.
- How to avoid and control health risks and safety risks on path construction sites.
- The welfare provision required on path construction sites.
- How to manage public access during the construction phase.

This event is a **must** for you if you are going to be involved in path projects that involve construction, maintenance or dismantling or demolition work.

There will be practical demonstrations outside so wear suitable clothing and footwear appropriate for the weather. There is no dress code, site clothes are fine.

To book your place, complete the booking form. **BOOK NOW** as places are limited! Closing date for booking is **Friday 6th September 2013**.

For further information, contact Kevin Fairclough, Paths for All, Tel: 01259 222330, Email: kevin.fairclough@pathsforall.org.uk
