Entry £25 or £15 for BHS Access Reps and members of EAGs

# Equestrian and Multi-Use Access to the Countryside

## Equestrian and Multi-Use Access to the Scottish Countryside – A Snap Shot

At our first ever Equestrian access conference BHS Scotland will be:

- Examining where we are with the Scottish access legislation and safe off-road riding in Scotland
- Celebrating all that we have achieved in terms of equestrian access
- Discussing issues and how we can work to improve things
- Holding up a crystal ball to discover what next for riding in Scotland

Safe off-road riding is a lifeline for every horse rider in Scotland – we cherish our routes, nurture our relationships with land managers, access partners and other users and educate all riders to make sure they do the same.

If you are interested in riding out or learning about multi-use access to the countryside whether you are a rider, cyclist, walker, access practitioner or land manager, you will enjoy this day.

Return slip below to: BHS Scotland, Woodburn Farm, Crieff, Perthshire PH7 3RG  
Cost £25 or £15 for BHS Access Reps and members of EAGs. (Your cheque reserves your place)  
Please send SAE if you want a receipt.
